Click It Or Ticket Enforcement Mobilization

From May 13 to June 2, Florida law enforcement agencies are joining NHTSA and law enforcement agencies nationwide for the 2019 Click It or Ticket enforcement mobilization. They will be out in full force, cracking down on safety belt violations, issuing citations to anyone caught traveling without a buckled safety belt or transporting unrestrained children. We are determined to get the message across. Safety belts save lives.

Safety belts save lives.

From 2012 to 2016, they saved nearly 67,000 lives, enough to fill a football stadium!

Safety Belt Myths

- Air Bags** Air bags are designed to work in combination with safety belts, and are not designed to deploy in all crashes. Safety belts should always be used, even in vehicles with air

Drive Sober or Get Pulled Over Enforcement Mobilization

From August 14 to September 2, Florida law enforcement agencies are joining NHTSA and law enforcement agencies nationwide for the "Drive Sober or Get Pulled Over" enforcement mobilization. They will be out in full force cracking down on one of the most dangerous and all too often committed – yet preventable – of crimes (impaired driving). Florida law enforcement and highway safety professionals will be working to help reduce the number of impaired drivers on our roads and save lives. By increasing Florida enforcement efforts and raising public awareness through local and social media they can make a difference.
